

Bankers and Realtors Roundtable

June 3, 2022

**FRANK GUARACINI JR.
FINE AND PERFORMING ARTS CENTER
ROWAN COLLEGE OF SOUTH JERSEY**

**8:00 - 8:30 AM – NETWORKING & BREAKFAST
8:30 - 10:30 AM - PRESENTATIONS**

This event is held annually as a way of providing development information about Cumberland County to the business and finance community. We expect between 150-200 attendees, with time to network prior to the event.

We always seek additional banking and financial sponsors because the event is designed for the real estate, finance, and development sectors. This year, we have openings for two forms of sponsors, Gold Level at \$750 and Silver Level at \$500. This enables The Authority to hold this event without a registration fee.

This sponsorship will include name and logo on all marketing materials prior to the event; name and logo on program book, name and logo on PowerPoint loop running during beginning and ending of meeting; logo on sponsor boards at entrance to event; ability to have a vendor booth in lobby; unlimited attendance from your business.

Registration can be found on our website's [calendar page](#).
