What's Happening at the Solid Waste Complex?

June 11 Household Hazardous Waste and Document Shredding Results

The Authority hosted its second Household Hazardous Waste and Document Shredding event of 2022 on Saturday, June 11. In total, **498 Cumberland County residents** attended the event, resulting in the proper disposal of **4.515 tons (9,030 pounds)** of hazardous waste. In addition, **766 gallons** of used oil and **48 gallons** of antifreeze were collected. Furthermore, **5.63 tons (11,260 pounds)** of paper were shredded and recycled during the June event. A total of **3.119 tons (6,238 pounds)** of electronic waste were collected, sorted, stacked, and shipped out to be recycled. The **final** Household Hazardous Waste and Document Shredding event of 2022 will take place on **Saturday, September 17** at the Solid Waste Complex.

Jesse Bridge Construction Complete

Jesse Bridge construction has been completed. Starting January 24, 2022, Jesse Bridge Road, from Landis Avenue to Lebanon Road, was closed for bridge renovations. Jesse Bridge is now open and alternate routes to the Solid Waste Complex are no longer required.

What's New at The Authority?

Capital Analytics' Invest: Insights

During the month of June, The Authority was featured in Capital Analytics' Invest: Insights video. President/CEO of The Authority, Jerry Velazquez, shared how creativity and innovation is helping Cumberland County grow. Through the 8-minute video, Jerry explains the bridge between The Authority's Solid Waste Complex and Economic Development branch unveiling the benefits both branches bring to Cumberland County. To learn more, view the full Invest: Insights video at <https://www.youtube.com/watch?v=FKW6xUuKJqE>.

Who's New at The Authority?

- Robert Borton, Mechanic (Class C)

The Authority's Fast Facts

During the month of June, 5.56 tons of litter were removed from county roadways.

Through the efforts of The Authority's Clean Communities Road Crew, the Sheriff's Labor Assistance Program (SLAP), and volunteers, 5.56 tons (11,1260 pounds) of collected litter were properly disposed at The Authority's Solid Waste Complex.

Clean Communities Corner

Environmental Education Programs at The Authority

The Authority joined the Cumberland County 4-H and Deerfield Township School PTO in celebrating Deerfield Township School's STEAM Family Night on June 8. Students of all grade levels joined together to create their own innovative projects made from recycled materials. Students were given the opportunity to design their own reusable bags, courtesy of the Cumberland County Clean Communities Program. Together, the students embraced their selected STEAM month theme of "Be a Clean, Green, Recycling Machine."
