May 2024

## What's New at The Authority?

### Rowan Medicine Building

The Rowan Medicine Building received its final building inspection on Monday, April 29 and has been cleared for TCO (Temporary Certificate of Occupancy). Furniture is scheduled for delivery in May 2024, followed by clinical equipment. The Ribbon cutting ceremony is scheduled for Thursday, June 6 at 12:00pm.

Rowan Medicine Building

### Cape May Library

The work remains on schedule for a June ribbon cutting. Punch list touchups are well underway, and the furniture is being brought in and assembled. Storefront framing has arrived for the entry vestibule and installation has started. The site is being cleared of material, equipment and debris, and final items related to sitework are to be addressed in the upcoming days. The weather has turned just in time to begin lawn restoration.

Cape May Library

### Millville Library

The existing Millville Library building renovations are progressing very well. Interior framing, drywall, and finishing are nearing completion. Floor preparations are ongoing and floors are scheduled to be placed before the end of May. The ceiling grid is being installed and fire sprinkler heads are being set. By June, walls will be painted, doors will be installed, and casework installations will be finished. Exterior finishes including brick installation and fencing should also be completed by June 2024.

Millville Library

### NJSP Commercial Township

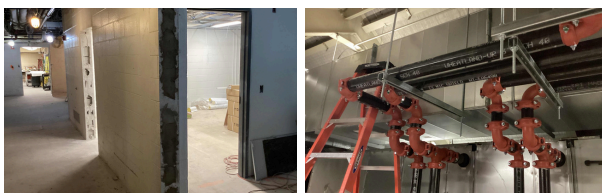

The Authority has been awarded the site bid for Commercial Township's New Jersey State Police barracks. The site work has been awarded to Fred Schiavone.

### Salem Home Ownership

The Authority has purchased properties in Salem County for rehabilitation and redevelopment. As the redeveloper of the land, The Authority plans to build ten new single family, three-bedroom homes.

### Salem County Court House

Renovations to the Salem County Court House continue. Completion is expected in November 2024.

## Household Hazardous Waste and Document Shredding: April Recap

The Authority hosted its first Household Hazardous Waste (HHW) and Document Shredding event of 2024 on Saturday, April 13. At the April 13 event, a total of 769 Cumberland County residents attended the event, resulting in the proper disposal of 1215 tons (24,300 pounds) of hazardous waste. In addition, 750 gallons of used oil and 65 gallons of antifreeze were collected, and 10.74 tons (21,480 pounds) of documents were shredded and recycled during the April event. A total of 1.67 tons (3,340 pounds) of electronic waste were collected, sorted, stacked, and shipped out to be recycled. The next HHW events will be held on Saturday, June 15 and Saturday, September 14 at the Cumberland County Solid Waste Complex, located at 169 Jesse Bridge Road, Millville, NJ.

Contact us at samdefrancisco@theauthoritynj.com and visit our website at www.theauthoritynj.com for more information.

**Go Green WHEN YOU SPRING CLEAN!**

**Used Motor Oil and Antifreeze**  
The Authority provides local public works and municipal customer drop off centers with containers for disposal of used oil and antifreeze. There's no need to wait for a Household Hazardous Waste event to dispose of these items properly.

**Electronics**  
New Jersey classifies electronic waste (e-waste) as computers, monitors, laptops, desktop printers, fax machines, and televisions. You may recycle these items year round at your local customer drop off center.

**Household Hazardous Chemicals**  
Household hazardous waste (HHW) is toxic, flammable, corrosive, or reactive materials. To properly dispose of household hazardous waste, Cumberland County residents are encouraged to attend HHW days on June 15 and September 14.

**Latex Paint**  
Latex paint (also called water-based paint) is NOT a hazardous waste and should be disposed of with your household waste. To do so, add kitty litter to the remaining paint. Once it has hardened, and with the lid on tightly, add to your weekly trash for disposal.
