

HAULING TRASH IN CUMBERLAND COUNTY

NJ RESIDENTS

- As a New Jersey resident, you are allowed to transport home-generated solid waste (trash you produced at home) in a vehicle with a non-commercial license plate having a gross weight (vehicle plus solid waste) of **less than 9,000 lbs.**
- If towing a trailer with solid waste, a gross weight (vehicle plus trailer plus solid waste) of **less than 16,000 lbs.** is acceptable.
- For example, a do-it-yourself homeowner working on a home remodeling project and transporting construction debris for disposal in a vehicle with a non-commercial license plate is not affected.
- Rented vehicles to transport waste are **not permitted**.
- Any customer not in compliance must be turned away by the landfill.

HAULING TRASH IN CUMBERLAND COUNTY

SMALL HAULERS

- As a small hauler (contractor, roofer, landscaper, etc.) transporting waste you created yourself, you must register and obtain an A-901 Exempt Solid Waste Decal from the NJ DEP.
- To register with the NJ DEP and obtain your A-901 Exempt decal, visit <https://nj.gov/dep/dshw/hwr/smwinit-selfgenerator.pdf> or scan the QR Code.

COMMERCIAL HAULERS

- As a commercial hauler (contractors hauling waste for others, mattress/bedding removal, residential commercial or estate cleanouts, furniture dealers doing removal/disposal, etc.) transporting waste created by someone else, you must be licensed and obtain an A-901 Licensed Solid Waste Decal from the NJDEP.
- To become licensed by the NJ DEP and obtain your A-901 Licensed decal, visit <https://www.wastedecals.nj.gov/swt2.html> or scan the QR Code.
